Queen Elizabeth Opens Sydney Opera House

SYDNEY, Australia (AP)—Queen Elizabeth opened the Sydney Opera House Saturday.

The building covers 5.5 acres, has a shell-like roof and contains four main halls plus studios, small halls and restaurants. It is not just for opera but for concerts, conferences and conventions.

It took 14 years to build, cost \$152 million and was financed by a series of lotteries.

On the dais with the Queen were Prince Philip, the governor of New South Wales, Sir Roden Cutler, and Lady Cutler, and the premier of New South Wales, Sir Robert Askin and Lady Askin.

Around them were thousands of people. Close to the dais was a group of 300 native people from eight South Pacific countries and a team of Australian aboriginal dancers.

The Queen said the Sydney Opera House "has captured the imagination of the world."
